

# AYSO Region 180

## Volunteer Points and Team of the Year

This year, Region 180 will have a competition between **U6, U7 and U8** teams to determine which team in each division is the **Volunteer Team of the Year**. There will be one winner in each age and gender division. The winning team will receive an end-of season team party (\$10 per player).

**This is being done to demonstrate to players and parents the high value that we place on volunteerism and good sportsmanship.** It will also serve to reduce touchline tensions and angst amongst parents and coaches, reduce pressure on players and referees, and promote the **Kids Zone**: the protective atmosphere we maintain at our fields where kids are free to play fair, fun and safe soccer.

**Points may be earned as follows:**
